

I do not wish to receive any unsolicited telephone sales or solicitations at the telephone number I have registered with the Indiana State Attorney General's "Do Not Call List" including from companies I have done business with in the past, companies I am doing business with in the present, and companies I will do business with in the future.

I would appreciate the FCC not weakening or eliminating the Indian Attorney General's "Do Not Call List".

I shall be sending this to my Congressmen, Senator, the President of the United States, the United States Attorney General and the FCC.

Thank you for your time.
